

Fresh Balsam Christmas Wreaths

Fall, 2023

Dear Friends and Supporters of Living Waters,

Once again, we would like enlist your help with the sale of wreaths for our Annual Wreath Fundraiser which will benefit our scholarship program for the 2024 season.

Thanks to many people pitching in, last year's fundraiser generated approximately \$5500.00 which will be instrumental in bringing in well-equipped leaders for camp. It is exciting to be able to give a generous amount of money toward these college students' tuitions. Funds from this year's wreath drive will be awarded as scholarships for returning college bound students and others who fill critical leadership roles at Living Waters during the 2024 season.

Our goal is to sell 400 wreaths this year. The greatest need right now is to simply collect orders. That's where we need you! Attached, you will find three important documents that can be downloaded as a pdf.

1. This informational letter explaining the need
2. A sheet that can be printed off to use as a bulletin insert for your church which includes an order form
3. A signup sheet to record multiple orders

To submit orders, email moreinfo@lwcamp.com or contact me by phone at 207-448-2310. Orders and payment are due by Friday, November 10. The cost is \$25 per wreath. We will fill orders in the order we receive them. Wreaths will be double-sided and decorated with cones and berries upon delivery. The festive multi-loop bow will be packaged separately, in order to prevent crushing. You will wire the bow on, which is a very simple process.

Delivery/pick up will be Nov. 18. I will coordinate with you by phone or email regarding pick up or delivery time and location. Please make all checks payable to Living Waters and note "Wreaths" on the memo line.

NEEDED

If you are available to deliver wreaths to Houlton, Lincoln or Bangor please contact me to let me know.

ORDERS DUE: Friday, November 10. Please email them to me at moreinfo@lwcamp.com.

Thank you for your help with this important project!

Because HE lives,

Esther Morad, Coordinator
Living Waters Bible Camp
Office: (207) 448-2310 | Cell: (207) 521-1526
